Arbor Parent Portal

We are putting everything for parents in one place with the Arbo Parent Portal.

From September you will be now able to make online payments through the Arbor portal.

Most parents have already registered to access their account. Reminder emails have been sent to everyone who still needs to log on. Please check your inbox and junk folders for the welcome emails from Arbor.

The Arbor system will be used for Email, Messaging, Assessment Information, Behaviour Reports and now Cashless Payments. All this from one convenient and secure login!

IMPORTANT NOTE: The first time you log on you will need to use a computer, laptop or tablet.

Parents who have done this already report that it is quick and easy. However, some phones do not allow you to press the 'accept terms' button because of their screen size. However, once this is done for the first time they say that it is easy to login using your phone.

GOV.UK

UK Government says NO to Mobile Phones for Children

There is increasing evidence that phones damage developing brains, reduce the ability to concentrate in class, raise the likelihood of mental illness and open the door to inappropriate content.

The Birthday Book Club

We always always to hear about pupils who have enjoyed recent birthdays. We celebrate by donating a book for class library. We do not bring in sweets or party bags.

Here is how it works:

- 1. Children give a book to their class library.
- 2. They visit the office for a birthday sticker
- 3. Their names are then included in the following week's newsletter
