We have been thinking
about:

HARVEST COLLECTION 2026

We shall be making our annual Harvest collection next week. We ask families to make a donation of food and coins to support those in need within our local community. The children will be celebrating this with a Harvest Assembly on **Friday 16th October**.

Class Hamper Collection from 12th October

From **12th October** each class will be **collecting food** to make a special decorated **class hamper**. Children are asked to bring in **canned or dried food**. This hamper is then decorated in the classroom and displayed in the Harvest assembly. **Parents can view our Harvest display in the Main Hall from 3.15pm on Friday 16th October**.

'Harvest Coin Basket' Collection

We shall also be collecting coins again this year. We are aiming to '**fill the harvest basket**' with loose change. Children will get the opportunity to drop their coins in a special harvest basket as they enter assembly. Let's try and fill it to the top!

Food Bank Aid

The proceeds from our food and coin collections will be supporting the local charity **Food Bank Aid (North London)**.

*****Please bring in canned or dried food
from Monday 12th October and your
coins on Friday 16th October *****

The Woodcroft '100 miles in October' Sponsored Challenge

On 1st October it was one year since the devastating loss of Emily. Emily was an ex pupil and daughter of a member of our staff. This will be a significant time for many people in the local community.

Emily was planning to walk 100 miles in October 2025 in support of the charity PANS PANDAS who support rare medical conditions that cause sudden, severe behavioral, neurological, and psychiatric changes in children following an infection. Woodcroft staff now aim to collectively take part in two 100 mile challenges and complete Emily's original goal.

Challenge #1: On 17th October Woodcroft staff will take part in a sponsored walk.

Challenge #2: During October a group of staff will collectively run 100 miles.

If you would like to donate, please visit our Just Giving page here:

Height and weight checks for children in Reception Year and Year 6 National Child Measurement Programme (NCMP)

Parents in Year 6 and Reception received a letter from the Nursing team in Whittington Health NHS Trust. Every year in England, school children in reception and year 6 have their height and weight checked at school as part of the National Child Measurement Programme (NCMP). These are carried out at the school by the School by NHS Nurses.

The programme will be delivered in a safe way, in line with the school and local authority's safety control measures and national guidance for schools and healthcare. You can watch the NCMP process animation on <https://www.youtube.com/watch?v=7W771420z9g>.

If parents are happy for their child to be measured, you do not need to do anything. However, to opt out of the programme you will need to email: whh-tr.barnethealthyweightteam@nhs.net stating your child's full name, date of birth and school name.

Birthday Books

We are always happy to hear about pupils who have enjoyed recent birthdays and then celebrate by donating a book for their Class Library.

Happy Birthday to

Sienna (N) age 4, Isabeau (2LD) age 7 and Aditio (3M) age 8

Nursery admissions for Autumn Term 2026

30 Hours provision is available at Woodcroft Nursery

We still have a few places left in our Nursery this term for pupils from the age of 3. Contact the school office to discuss enrolling your child on our register for either an immediate start or future start.

*****Contact our school office to reserve your place*****

Woodcroft offers the FREE flexible 15 hours provision for all children, with the option to pay for extra sessions as required. Parents of three and four year olds that are registered with Woodcroft's Nursery can also apply for the government's 30 hours free childcare offer through the Government

Year 6 Secondary Transfer Applications - DEADLINE 31/10/26

Year 6 families are now able to complete their applications to transfer to secondary school next year in September 2027. <https://www.eadmissions.org.uk/>

If any parent requires help with the application process please contact the school office to make an appointment to speak with Mr Tallon.

MET ENGAGE

Met Engage is a free platform from the Metropolitan Police that helps people stay informed about what is happening in their local area. It is a two-way communication tool, allowing you to receive updates, crime prevention advice, and information directly from your local neighbourhood policing team.

If you are not already signed up, we are currently encouraging more people to join so that as many people as possible can stay informed and connected. You can sign up here: [Home Page - Met Engage](#)
