Have your Will written for FREE

Leeds Mencap's FREE Wills Week

15th to 19th March 2021

You're never too young or too old to make a Will, and the process is often a lot easier than you'd think.

Once again, we are partnering with Oakwood Solicitors in Leeds, to give you the chance to make or change your Will in return for a donation to Leeds Mencap.

Appointments will be done online via zoom or over the phone and will take place between the 15th to the 19th March. Appointments are 40 minutes and will be with either Charlotte Bandawe or Katherine Law. During your appointment, they will go through everything needed to draw up either a Standard* or Joint Will and invite you to make a donation.

This appointment can also include specific advice on providing for your child that has a learning disability. Oakwood Solicitors can advise on any necessary detail in your Will, with no additional cost. This can include adding an SND trust (Special Needs and Disabilities) for no extra charge. We have a limited amount of places so they will be allocated on a first come first served basis.
