How do I get involved?

Your parent/guardian will need to complete the consent form enclosed and bring it with you to your first Street Sport session.

Once you have returned the form you can then attend other street sport sessions too.

How do I get to sessions?

Your parent/guardian is responsible for getting you to and from the session. Your parent/guardian could give you permission to make your own way.

If you live too far away, and you cannot get to the session you can email us to request a 'session interest form'.
