31/03/2021

Dear Parents/Carers

**Year 9 Key Stage 4 - Options  
Wednesday 31st March 2021**

Our students are now entering an important chapter within their life at the academy. They are about to make their option choices which will involve them selecting examination courses to follow from the next academic year in Key Stage 4.

In a year that has posed many uncertainties and challenges, we are now excited to begin the KS4 options process with our Year 9 students. All of the important information that you will need can be found in the interactive 'Options Guide 2021' on our academy website, Google Classroom and our Facebook page. It is essential that both you and your child find the time over the Easter break to explore our curriculum offer within the guide so that we can all help, advise and support them to make the right curriculum choices.

The key dates that you should be aware of can be seen below, these can also be found within the Options Guide.

<b>Options guide shared</b>	<b>Wednesday 31st March</b>
<b>Options letter to parents</b>	<b>Wednesday 31st March</b>
<b>Options taster week</b>	<b>Tues 20th April- Mon 26th April</b>
<b>Options form handed to students</b>	<b>Monday 26th April</b>
<b>Options form deadline</b>	<b>Friday 30th April</b>

For further information, please click into the link below. This link will take you to our 'Futures' website where you can find our Options Guide 2021 alongside parental/student support, options information, career guidance and subject specific support.
