

3 September 2015

Dear Parent / Carer

Call for additional directors for The Three Rivers Learning Trust Board

We are looking to recruit new directors onto The Three Rivers Learning Trust Board.

I would like to cast the net wide and would be very interested in hearing from anyone who can extend our range of director career backgrounds. For example we are very interested in hearing from anyone with particular skills in science, technology or maths. You might have experience with modern apprenticeships or further education. If you lived in the Coquet Valley that would also be useful recognising that many KEVI students come from there!

The Board meets monthly and its three committees roughly bi-monthly each for about two hours, normally starting at 5 o'clock. If you would like to express an interest in joining the Board please contact Paula Reeves at paula.reeves@the3rivers.net by 24 September 2015 with a brief description of the career background, skills and experience you would offer. We will then form a short list that best fits the Board's needs and meet with those. I look forward to hearing from you.

Yours sincerely

Paul Carvin
Chair of The Board of Directors
