

Jungle Animals 18th Jan 2021 Key Stage 3

Find more activities
on Google classroom

Don't forget: Please share your child participating in the activity and send it to schoolinfo@keelmansway.school.co.uk or upload to the Evidence for Learning platform where we will celebrate together

Literacy:

- Can you watch a film or cartoon linked to the Jungle and then describe the main characters to an adult? e.g. Tarzan
- Can you write a film or cartoon review? Remember, all your punctuation skills.
- Can you say or sign some animals you have seen?
- With help from an adult post it in google classroom to share with your friends.

Art:

- Go on a safari around your house and see how many different animals you can find. Look in food cupboards and the fridge! Can you draw any of these?
- Can you make an animal from a kitchen roll tube?

Math / ICT :

- Can you do the counting quiz on google classroom? (from Wednesday)
- Can you count how many slices of fruit are in the needed to make this snake? Write your answer on the white board sent home and help take a photo of your answer for google classroom?
- Can you time yourself making the snake?
- Can you make 3 different jungle animal noises (Monday's animal movement video on google classroom has ideas) for 5, 10 and 15 seconds? I bet that would make a great video to share!
