

Keelman's Way School

Y7 Catch up funding

2017-18 £3000

Provision	Outcomes	Costs	Outcomes completed
Resources to support PMLD pupils to work alongside their peers	Pupils will have access to resources that engage them in structured and unstructured sessions. Engagement scales will demonstrate their outcomes.	£1000	Identified pupils were resourced individually. Pupil outcomes are evident in individual pupil. RFL files
Pupils in Y7 will access Seven Stories as a stimulus for literacy and numeracy project work. Additional individual support will ensure they are able to present their work using a variety of media and strategies that record their learning.	Evidence will show good or better progress for these pupils. Pupils expressive language will enable them to present verbal accounts of their experiences	£2000	The visits allowed pupils to have direct experience and made their own first hand accounts of the events

2018-9 £3500

Provision	Outcomes	Costs	
School links with mainstream peers to support communication and inclusion	Schools were able to join together for a number of activities	£1000	Very successful links were in place. Children shared activities that are evidenced on the school website and accounts from pupils from both schools.
Additional library resources that support age appropriate reading opportunities Improved reading environment for sitting and sharing stories	Pupils have access to materials that are of interest to their age and ability. Y7 results The library now has appropriate seating that allows adult and child to enjoy books	£2500	Library is now in full use with additional resources and timetabled sessions. Children's confidence in their own reading experiences are evident in observation.
