

## First aid training and support

We have our own trainer who is qualified to offer certified courses in

First aid at work 3 days full course

First aid at work update 2 days

Paediatric first aid 2 days

If you are interested in any of these courses please contact the school office and we will arrange something that will suit your needs.

Our staff are very experienced in managing pupils with complex health needs. We can offer support and advice to schools needing to manage pupils' complex health needs e.g. managing epilepsy, asthma, managing medications.
