

20<sup>th</sup> October 2020

Dear Parent/Carer,

Following our previous communication, we are now able to offer reduced price Chrome books via an educational supplier.

Chrome books are a durable small digital device, very much like a laptop. Benefits include a long battery life, **Chromebooks** (and other **Chrome OS** devices) are very cheap by comparison to traditional laptops / computers. **Chrome OS** is fast and stable. Machines are typically light, compact and easy to transport.

We have secured a deal to buy Lenovo 100E Chromebook 2nd Gen. 11.6INCH display, AMD Processor, 4GB RAM, 32GB memory with Chrome OS and a one-year warranty.

**The reduced price is £175.** The RRP of this model is £254 giving parents a saving of £79.

As a school, we are acting as an enabler between the supplier and parents, to keep prices as low as possible. Mortimer Primary School will make no financial profit from any purchase via this offer.

Device specifications are available here:
