

## Online Learning Tools

Dear parents/carers,

Please find below a reminder of the online learning tools we use to support learning at home.

These tools are used in school and therefore home use is mainly to help consolidate learning.

Suggestions are given to the amount of time that may benefit your child when using the apps/websites. Little and often works better than large chunks of time.

If you have any questions regarding these resources, then please speak to your child's class teacher.

<b>Maths</b>	
<b>RMEasimaths</b> (Y1-Y6)	10 -15 minute sessions, 2-3 times per week.
<b>TTRockstars</b> (KS2 only)	10 minute session, 3 times per week.
<b>maths.co.uk</b> (Y3-Y6)	Often used to set weekly homework tasks for KS2 pupils.

<b>English</b>	
<b>Reading Plus</b> (Y3-Y6)	90 minutes in total. Children will complete at least 60 minutes in school per week. They are encouraged to use Reading Plus at home to make up this final 30 minutes over the course of the week.
<b>Spelling Shed</b> (Y3-Y6)	Children are encouraged to use this regularly over the course of the week to learn their spellings. This could be 5 - 10 minutes 3-5 times a week.
<b>spag.com</b> (Y5-Y6)	Teachers may use this website to set weekly/fortnightly grammar homework for year groups.

Thank you for your support

Mr Bennett  
Head teacher
