

Mortimer Primary School

Year 6 Summer Overview

The staff in Year 6 are very much excited to build upon last term's successes. This overview will help to provide a snapshot of what will be covered in summer term. Looking ahead to SATs in May, we will also be reviewing a selection of previous papers to help your child grow in confidence and to help consolidate work from across Key Stage 2.

Class 6FH	Class 6AS	Class 6JD
<i>Mrs F Herbert</i>	<i>Mrs A Stelling</i>	<i>Mr J Douglas</i>
Teaching Support Staff		
<i>Mrs J Richardson</i>		

Subject	Focus	Key Knowledge and Skills
English	Reading	<ul style="list-style-type: none"> I will be reading 'Jabberwocky' by Lewis Carroll, 'Goodnight Mr Tom' by Michelle Magorian and a selection of texts, poems, songs and play scripts as part of my whole-class reading. I can discuss and evaluate how authors use language and how it impacts on the reader. I can draw upon inferences such as inferring characters' feelings, thoughts and motives; justifying with evidence from the text. I can predict what might happen from details stated and implied. I can explain my views and give justification for them. I can summarise main ideas drawn from more than one paragraph, identifying key details. I know how to improve my understanding of texts by asking questions.
	Writing	<ul style="list-style-type: none"> I can choose to use formal or informal language to suit the needs of my audience. I can write in a cohesive style. I can link ideas across paragraphs. I can describe setting, character and atmosphere. I can use a range of literary devices such as simile, metaphor, humour, personification, repetition, symbolism and suspense to create interest for my reader. I know how to plan, draft, edit and evaluate my writing.
	Grammar & Spelling	<ul style="list-style-type: none"> I can use a range of punctuation in my writing including capital letters, full stops, exclamation marks, question marks, commas, apostrophes, inverted commas, hyphens, dashes, colons, bullet points, semicolons and ellipsis. I know how to use spelling rules from across KS2 to spell a range of polysyllabic words.
Maths	Area Perimeter Volume Reflection	<ul style="list-style-type: none"> I can use formulae to calculate the area and perimeter of rectilinear, parallelograms and triangles. I can use formulae to calculate volume of cubes and cuboids.

	Translation Algebra Average	<ul style="list-style-type: none"> I can reflect and translate a shape or point across both axis of all 4 quadrants on a coordinate grid. I can use simple formulae to find missing numbers in algebraic sequences. I can calculate mean average. I can use my mathematical knowledge to solve reasoning problems in real life contexts.
Science	Classification	<ul style="list-style-type: none"> I can sort and classify living organisms. I can use classification keys to sort living things, according to characteristics. I can develop and test out identification keys, recognising potential flaws. I can describe the key characteristics of unusual living things and attempt to classify them.
	Micro-organisms	<ul style="list-style-type: none"> I can understand the main types of micro-organisms. I understand that micro-organisms are found everywhere and that some are good, while others are not. I understand that some illnesses (but not all) are caused by micro-organisms. I know that washing hands and good hygiene can prevent infections spreading between people.

Events, Visits and Visitors
