

Mortimer Primary School

Year 5 Summer Overview

Welcome back! We hope you are well-rested and ready for the Summer term. We are looking forward to providing plenty of opportunities for the children to challenge themselves and express their learning in creative ways. This overview will give you an insight of the term ahead.

Class 5HA	Class 5AM	Class 5GB
<i>Miss Anderson</i>	<i>Miss Marshall</i>	<i>Miss Beattie</i>
Teaching Support Staff		
Mrs Wheatley		Ms Beckett

Subject	Focus	Key Knowledge and Skills
English	Reading	<ul style="list-style-type: none">• We will be reading <i>Charlotte's Web</i> by E.B White and <i>Kensuke's Kingdom</i> by Michael Morpurgo for our whole class novels.• I can read books that are structured in different ways and read for a range of purposes.• I can draw inferences such as inferring characters' feelings, thoughts and motives from their actions, and justifying inferences with evidence.• I can predict what might happen from details stated and implied.• I can summarise the main ideas drawn from more than 1 paragraph, identifying key details that support the main ideas.• I can retrieve, record and present information from non-fiction.• I can explain and discuss my understanding of what I have read, including through formal presentations and debates.
	Writing	<ul style="list-style-type: none">• I can use further organisational and presentational devices to structure text and to guide the reader.• I can continue to distinguish between homophones and other words which are often confused.• I can show growing awareness of reader needs and can select content to inform and engage the reader.• I can use new vocabulary appropriately and effectively.• I can assess the effectiveness of my own and others' writing.

	Grammar & Spelling	<ul style="list-style-type: none"> • Weekly spellings on Spelling Shed (targeted spelling rule each week). • I can use relative clauses with an omitted relative pronoun. • I can proofread my work for spelling, grammatical and punctuation errors.
Maths	Number and Place Value	<ul style="list-style-type: none"> • I can read, write, compare and order numbers up to 1 million. • I can round numbers up to 1 million to the nearest 10, 100, 1000, 10,000 and 100,000.
	Addition and Subtraction	<ul style="list-style-type: none"> • I can read Roman Numerals to 1000. • I can add and subtract numbers with more than four digits (including mental strategies). • I can solve addition and subtraction multi-step problems in contexts.
	Multiplication and Division	<ul style="list-style-type: none"> • I can multiply numbers up to 4 digits by a 1 or 2 digit number. • I can divide numbers up to 4 digits by a 1 digit number and interpret remainders appropriately for the context. • I can solve multiplication and division multi-step problems in contexts.
	Measures including Time	<ul style="list-style-type: none"> • I can convert between different units of measure and solve linked problems (including units of time).
	Fractions, decimals and percentages	<ul style="list-style-type: none"> • I can identify, name and write equivalent fractions. • I can convert between fractions, decimals and percentages. • I can add, subtract and multiply fractions.
	Geometry: Position and Direction	<ul style="list-style-type: none"> • I can identify, describe and represent the position of a shape following a reflection or translation. • I can measure and calculate the perimeter and area of composite shapes.
	Measures: Area and Perimeter	<ul style="list-style-type: none"> • I can solve comparison, sum and difference problems using line graphs.
Statistics	<ul style="list-style-type: none"> • I can complete, read and interpret information in tables (including timetables). • I can use my mathematical knowledge to solve reasoning problems in real life contexts. 	

Science	Living Things and Their Habitats	<ul style="list-style-type: none"> I can identify parts of a flower and understand the life cycle and reproduction of a flowering plant. I can investigate the propagation of plants. I can investigate, order and explain a variety of life cycles including that of a bird, amphibian and insect.
	Microorganisms: Introduction to Microbes	<ul style="list-style-type: none"> I understand how microbes are spread and what I can do to reduce the risk of infection. I understand why and how vaccinations are used.

- 5/5/23 5HA Parent Assembly

- 8/6/23 Girls' Menstruation Talk with the School Nurse

- 19/6/23 (5HA and $\frac{1}{2}$ of 5GB) and 20/6/23 (5AM and $\frac{1}{2}$ of 5GB)
Micro:bit Workshops at The Word

- 23/06/23 Orienteering at South Marine Park 5HA

- 26/03/23 STEM Week

Year Group Key Information

End of school		PE Day(s)	
3:30pm	Indoor PE	5HA and 5GB - Thursday 5AM - Friday	
	Outdoor PE	5AM - Monday 5HA and 5GB - Tuesday	
Homework Out	Homework In	Spelling Test	
Spellings - Weekly (Monday) (Spelling Shed)	Reading Records- Every other Wednesday	Friday	
Reading Records- Fortnightly (Wednesday)			
SPaG - Fortnightly (Friday) (spag.com)	SPaG- every other Friday		
Maths- Weekly (Friday)	Maths- Wednesday		

It is expected that your child will complete Reading Plus, TT Rockstars and RM Easimaths in their own time at least twice a week.

Thank you for your continued support. It is extremely appreciated!
Please keep up to date via the school website and Facebook pages, whilst ensuring we have your most up to date mobile numbers and email addresses.
