

Mortimer Primary School

Year 4 Summer Overview

We hope you have all had a lovely Easter and we are very excited to embark on our last term in Year 4. Our focused texts this term will be Matilda, Sheep Pig and an exploration of Greek Mythology. This term allows us to nurture the existing skills the children have gained as well as, developing new ones. This term's aim is to continue to broaden the children's knowledge with a full and enriched curriculum. We are so proud of the children so far and we are excited to see where this term takes us!
