## Year 5 Autumn Overview

Welcome back! We are really looking forward to this half term. We have some really exciting things planned in the next two half terms and we can't wait to dive right into our first book - Charlie and the Chocolate Factory. It is going to be lovely getting to know the children and seeing how they start to progress and develop through Year 5. This overview will give you an insight of some of the things we have in store for the term ahead.
