

MFL Challenge!

Your mission, should you choose to accept it, is to create a world famous (foreign) landmark out of household recycling.

We would then like you to think of five words that you would use to describe your work of art and write them on a piece of paper.

Once you have created your masterpiece, please take a photo and email it to a.jones@dentoncommunitycollege.org.uk

If you are not a crafty human, but would still like to take part, we would also like to see photos you have found (or even better, taken) of famous landmarks. With this, we would like you to write a postcard pretending you are at the landmark and telling us all about the things you have seen.

The best entries will be displayed in school for you to find when you arrive here!
