

23<sup>rd</sup> September 2020

Dear Parent / Carer,

I am writing to inform you of two revision materials that you can purchase to help your child prepare for their upcoming GCSE Geography exam.

Hodder are the only publisher to have released a revision guide for the OCR A Geography Specification which is what your child studies in their Geography lessons. It is called 'My Revision Notes: OCR GCSE 9-1 Geography A' and is the only revision guide that has been tailored specifically to the course that we study. I would therefore like to offer you the opportunity to purchase this in order to help your child begin preparing for their Year 11 exams. The RRP of the revision guide is £9.99.

Additionally they have recently released a workbook called 'OCR GCSE 9-1 Workbook Geography A' made up of detailed exam style questions as well as explanations of how to answer the questions which is perfect preparation for the exam and works alongside the revision guide. The RRP of the workbook is £5.99

Both guides are available for you to purchase via parent pay. The guides will then be purchased and will be collected from your child's form tutor.

Yours Sincerely

Mrs Hampson
