RE: Red Nose Day (19<sup>th</sup> March 2021)

Dear Parents & Carers

I am sure you will agree that the last 12 months has provided challenges that none of us ever thought we would have to face. We have been so proud in how our young people have returned to Denton Community College following the second period of school closures since **March 2020**.

To bring a little normality back into the education of our young people, we are writing to inform you of our plans for Red Nose Day on **Friday 19<sup>th</sup> March 2021**. Whilst things may look a little different this year, our young people are always enthusiastic about getting involved in charity events to support those less fortunate.

This year, we are inviting students to wear something red **in addition** to their regular school uniform. This may be red socks, tights, hair tie or headband. Whilst not everyone will be in a position to donate this year, we would like everyone to get involved in some way to recognise the event.

If students are in a position to contribute, we ask for a £1 donation. To ensure this is Covid-19 secure, we ask that payments are made via ParentPay through this [link](#) rather than cash.

Whilst raising money for good causes is always worthwhile, this year this is more about us coming together as a community to help change lives across the UK and the wider world, at the same time as helping our children feel that a little more normality is returning to their lives.

Yours sincerely

*N Bird*
