

Art Challenge:

The Art department at Denton Community College would like you to design, draw, paint or even make your very own superhero or rainbow art. You can design a superhero character who works for the NHS who is helping to fight the virus and who is helping us all to stay safe or you can design your own rainbow using small colourful objects.

Please share some pictures of your designs with us via info@dentoncommunitycollege.org.uk and the closing date for entries is Friday 23rd July 2021.

During the coronavirus pandemic, the rainbow has become a symbol of support for people wanting to show solidarity with NHS workers on the front line.

Did you know?

The trend was reportedly started by a nurse who wanted to create “a sign of hope” for patients and staff in hospitals across the country.
