

MOSSLEY SOUP

Got an idea to benefit the Mossley community?
Make it happen with help from Mossley SOUP.
Raise awareness, gain support and secure the funds you need to get your idea off the ground.

Individuals, groups, charities, artists and businesses are invited to submit a proposal. Your project idea can be about anything, as long as it benefits the Mossley community in some way.

Mossley SOUP events bring the community together to promote, fundraise and support local projects. Attendees pay £5 for food, entertainment, listen to four project presentations and vote on which idea they think benefits the community the most. The winner goes home with all of the money raised at the door to carry out their project idea. Previous Mossley SOUP events have raised between £540 and £1,726 for the winning project.

Submit a short project proposal for a chance to present your idea at the next Mossley SOUP.
