

9th November 2021

Dear Parent/Carer

I would like to thank you for your recent support in helping us to raise the consistency of our uniform, in particular the wearing of PE / dance kit on the days students have those subjects. The impact of this has been amazing and has had a very positive effect on engagement in learning and behaviour around the school building.

Following our considerable feedback from parents & carers, as well as a student voice survey, we have begun to look at additional items of optional PE / dance kit for students to wear. The first item that will be made available is our new DCC branded skort. This will not become a compulsory item, but has been requested by students as an alternative option to the current PE / dance kit.

Monkhouse Schoolwear is currently the only accepted supplier of the skort and the price ranges from £15.25 - £18.75, depending on the size. Variations of the skort will not be accepted under the Denton Community College Uniform Policy so please ensure this is purchased directly from Monkhouse via <https://www.monkhouse.com/p/71671/Denton-College-Skort>.

Yours sincerely,

Greg Rule

A handwritten signature in black ink, which appears to read "Greg Rule".
