

HEADTEACHER: Mr G Rule

Friday 15th September 2023

Dear Parents and Carers

You may be aware that on 12th and 13th July we had our first Ofsted monitoring visit.

I have attached the report written by the Inspection team and encourage you to read it in full.

I hope you will find that it is a reassuring report and that the steps we have taken, with the guidance of our School Improvement Partner, to address the issues identified by Ofsted have begun to have the positive impact that you would expect.

Whilst it is an encouraging read, I must emphasise that we are focused on the further rapid improvement that will allow us to meet the Ofsted priorities in full. We have already begun this work with the Northern Education Trust and I look forward to being able to share these plans with you shortly.
