

16 October 2023

Dear Parent/Carer

At Northern Education Trust and Denton Community College, we are committed to ensuring that all students are provided with the opportunity to achieve their best possible outcomes. In order to support both our students and parents, we are hosting our 'Fish and Tips' revision evening on **Thursday 19th October**. This evening is just for Year 11 and is focused entirely on helping students achieve the best exam results they are capable of in the summer. I am sure you will find it very useful.

During the evening you will receive support, information and guidance on how best to support your child throughout Year 11 and as they prepare for the summer examinations. Subject Directors from Northern Education Trust will talk to you about what is in the exams and how to prepare for the. After their presentation, a full suite of **free revision materials will be available for your child to take home and all attendees will be welcome to enjoy fish and chips whilst talking to members of Denton Community College staff.**

There are two presentations taking place during the 'Fish and Tips' evening, one at 5.00pm and the second at 6.00pm. You only need to attend ONE of these sessions. The presentation will run for around 30 minutes with a further 30 minutes allowed for the distribution of the revision materials and the serving of fish and chips from our canteen.

Please follow the link below to book your ticket to the 'Fish and Tips' evening;

We truly believe that attending this important revision evening is vital to helping us support your child's academic progress and we highly recommend that all students and parents attend. Please indicate how many people will be attending so we ensure the right amount of food is available.

If you have any questions at all regarding the 'Fish and Tips' evening please do not hesitate to contact Mrs Graham at s.graham@dentoncommunitycollege.org.uk

Yours faithfully,
