**Do you want to help lead a large Science department in a school that prides itself on the support and development of all staff? Denton Community College are looking to recruit a suitably qualified, enthusiastic and inspirational Lead Teacher of English to work as part of a leadership trio within the department and drive a successful team. This is an exciting time for our college and we welcome applications from dynamic practitioners.**

The ideal candidate will:

- Be an enthusiastic and passionate Lead Teacher of Science;
- Be driven to develop and enhance the teaching practice of others;
- Be committed to continually improving their teaching and learning;
- Be committed to our ethos of high expectations and no excuses;
- Have the belief that every student can be successful and have the desire to make a real difference to the lives of our students.

In return, we offer:

- A professional, supportive and dynamic Science team;
- A personalised approach to your continuing professional development;
- A supportive and inclusive staff environment;
- High quality, leadership development opportunities;
- State of the art buildings and facilities.

**College Values:** The post holder will subscribe to and model the ideal that as stakeholders of Denton Community College we strive to ensure that all our work is characterised by the core values of COURTESY, EMPATHY, INCLUSION, INTEGRITY, RESPECT & RESPONSIBILITY.

Denton Community College is committed to safeguarding and promoting the welfare of children and young people and expects all our staff to share this commitment. Any offer of employment made to the successful candidate will be conditional upon the completion of satisfactory pre-appointment checks, including an enhanced DBS check and a barred list check for roles involving regulated activity.
