

Year 9	Half Term 3	Shakespeare: Macbeth / Romeo and Juliet (Narrative, Character and Context), Transactional Writing	Properties of 1D Shapes Surface Area Volume Indices	Cats & Specialisation Bonding	Overarching theme: the musician system. Activities: Develop tactics and strategies in basketball-related activities (volleyball/basketball) to develop techniques to improve level of performance in tactical games. Oversee personal challenge in orienteering.	Religious Study - inner praise. Buddha, Four Noble Truths and Eightfold Path, Food in religion.	Healthy living and lifestyle	American experiences of the Depression and the New Deal 1933-45	Changing landscapes - The human and physical processes in the Hot Desert	CS - System Architecture E - Exploring Enterprise Theory	Music - Popular Music. Drama - Brechtian Devising and Design, exploring the use of the Brecht system within a devised piece.	Inspired by the theme Growth. Students will analyse and demonstrate an understanding of the work of other artists through specific terminology and application. Students will develop a range of experimental observational drawing techniques to build their understanding of the characteristics of bodies.	H&C - Healthy Lifestyle Engineering Design - technical drawing and manufacturing to a tolerance. Both open
	Half Term 4	Shakespeare: Macbeth / Romeo and Juliet (Narrative, Character and Context), Transactional Writing	Indices, including Standard Form Representing Data	Digestion Organisation	Overarching theme: the satellite system. Activities: Develop tactics and strategies in rights under legislation (volleyball/basketball) to develop techniques to improve level of performance in tactical games. Oversee personal challenge in orienteering.	Careers A job or career? Starting a career? Making the right impression L&L Data Progression Health and Safety at work	Customs, festivals and celebrations	The fight for equality in Post-war America 1945-73	Dangerous weather - Global weather hazards, AND Dangerous Climate - Causes, impacts and mitigation of climate change	CS - Computer networks, connections and protocols E - Exploring Enterprise Theory F&A Mock	Music - World Music. Drama - Brechtian Devising and Design, exploring the use of the Brecht system within a devised piece.	Art - Students will explore mixed media through chosen materials and experiment with scale. Students will create a series of experimental sketches relating to their work. They will explore the relationships between artists and the observational work they have produced. Students will create a 2D or 3D persona responses to the theme of bodies. This could be painting, textile work, ceramics, mixed media or print.	H&C - Continuation of Healthy Lifestyle and the application of this into a range of key Engineering Design - bottle cap practical - manufacturing skills development.
	Half Term 5	Victorian Literature: A Christmas Carol / Jekyll and Hyde (Narrative, Character and Context), Unseen Fiction.	Representing Data Personalised Feedback following STEP Quadratics	Particle Model Radiation Chemical Changes	Overarching theme: effects of exercise. Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	The media, FOMO, Privacy Social Media Really TV Human Rights Rights and Responsibilities	Celebrity culture	Conflict and tensions: The inter war years 1918-39	Dangerous Climate - Causes, impacts and mitigation of climate change AND Managing resources - the changing demand and consumption of resources	CS - Network Security and Systems software E - Exploring enterprise theory mock. Planning and Presenting a microenterprise idea	Music - Comp 1 Popular Music. Drama - Physical Theatre practitioners influencing performance.	Art - Drawing from observation exploring line, form, tone, texture and colour based on the theme of bodies and forms. Various materials and techniques will be explored.	H&C - Nutrients and menu planning Engineering Design - L&L R&C: modelling and modelling and modelling continued Topic Area 1: Product evaluation - Lamp analysis, marking matrix
	Half Term 6	Victorian Literature: A Christmas Carol / Jekyll and Hyde (Narrative, Character and Context), Creative writing.	BEAM (Numeracy, Reasoning and problem solving) Fractions	Infection & Response Photosynthesis	Overarching theme: Diet, Healthy and Active Lifestyle. Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Decision making, internet safety - social media, the law and the internet, seeking online behaviour Summer Safety reminders	Our World	Conflict and tensions: The inter war years 1918-39	Managing resources - the changing demand and consumption of resources	CS - Ethical, legal, cultural and environmental aspects of digital technology. E - Planning a MicroEnterprise Idea	Music - Comp 1 Classical & Film Drama - Physical theatre practitioners influencing performance.	Art - Development of ideas and refining work and selection of appropriate and successful elements of development work to create a final conclusion to the theme.	H&C - Nutrients and menu planning Engineering Design - L&L R&C: modelling - Topic Area 2: Working to a technical drawing - Lamp planning and practical

Strong Academic Core – Deepening understanding, knowledge, skills and experience. Progression to Year 10 and 11. Expanding Open Subject offer. Flexibility when it's needed.

Year 10	Half Term 1	Modern Fiction / Drama: An Inspector Calls / DNA (Narrative, Character and Context), Unseen Non-Fiction.	Formulae Circles & Sectors Inequalities Area & Perimeter for Box Plots & Cumulative Frequency	Atomic Structure The Periodic Table Bonding, Structure and the Properties of Matter	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Healthy relationships, Equality Act 2010, Prejudice, Valuing difference, Homophobia, disability discrimination, sexism, transphobia.	Travel and tourism	American People and the Boom 1920-29	UK physical landscapes - Coastal landscapes, including Flatbush			Memory and Storage	
	Half Term 2	Modern Fiction / Drama: An Inspector Calls / DNA (Narrative, Character and Context), Transactional Writing.	Personalised Feedback following STEP Probability Proportion Topic: Brackets Percentages	Energy Electricity The Digestive System, Circulatory System and Plant Transport System	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Risk taking behaviour- Legal/Moral Rights, Alcohol, County lines Mental health and wellbeing, Understanding debt/Gambling Financial responsibilities	Technology & Social Media	American experience of the New Deal 1929-45	UK physical landscapes - River landscapes.			Memory and Storage	
	Half Term 3	Poetry: Power and Conflict/Poetry Themes: Analysis, Comparison and Integration) Unseen Non-Fiction.	Pythagoras' Theorem Straight Line Graphs Finance Conversions or Ratios	Chemical Changes Particle Model of Matter	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Religious Study- Love for the world (Christianity and Islam), Prejudice and Discrimination, Peace	My studies Like at school/college	The fight for equality in Post war America 1945-73	Economic world - Rapid development in NEES.				Systems architecture
	Half Term 4	Shakespeare: Macbeth / Romeo and Juliet (Themes, Analysis, Application and Integration), Creative Writing.	Personalised Feedback following STEP Apply Facts Compound Units	Atomic Structure and Nuclear Radiation Bioenergetics	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	CEIAG - Career paths, college, university, apprenticeships, student finance, further study	Education post-16 Jobs, career choices and ambitions	Conflict and tensions 1918-1939	Economic World - Changes in the UK economy, Urban issues and Challenges Urban Growth in LICs				Computer Networks, connections and protocols
	Half Term 5	Victorian Literature: A Christmas Carol / Jekyll and Hyde (Themes, Analysis, Application and Integration), Unseen Non-Fiction.	Calculating & Estimating or Proof & Functions Trigonometric Ratios Rate & Volume Surface Area & Volume	Quantitative Chemistry	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Parliament & Government Rights and Responsibilities Voting European PREVENT Nationalisation Local Government	Social issues, homelessness Charitable/voluntary work Health/Unhealthy living	Britain: Health and the people c1000-present day	Urban issues and challenges - Urban growth in HCLs, Urban sustainability, including Redwood AND Living World - Ecosystems, Tropical wilderness and Hot desert				Network Security and systems software
	Half Term 6	Modern Fiction / Drama: An Inspector Calls / DNA (Themes, Analysis, Application and Integration), Transactional Writing.	Surface Area & Volume or Histograms Expressions or Trigonometry Properties of Number Vectors Statistics Sequences	Foams Homeostasis and Response	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Personal Safety - online Workplaces Fake News, Summer safety	Global issues The environment Poverty	Britain: Health and the people c1000-present day	Living World - Ecosystems, Tropical rainforests and Hot desert AND Flatbush				Ethical, legal, cultural and environmental impacts of digital technology
Year 11	Half Term 1	Modern Fiction / Drama: An Inspector Calls / DNA (Development, Discussion and Deepening), Poetry: Power and Conflict/Poetry (Development, Discussion and Deepening), Unseen Poetry, Analysing Non-Fiction, Transactional Writing.	Number and Proportion	Homeostasis & Response Quantitative Chemistry Foams	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Theme 1 Identity and culture All sub-topics	Bespoke programme for Y11.	Weimar and Nazi Germany 1918-45	Living in the UK Today: UK Environmental Challenges				Programming fundamentals
	Half Term 2	Shakespeare: Macbeth / Romeo and Juliet (Development, Discussion and Deepening), Victorian Literature: A Christmas Carol / Jekyll and Hyde (Development, Discussion and Deepening), Analysing Fiction, Creative Writing.	Algebraic Manipulation	STEP 2 Revision The Rate and Extent of Chemical Change	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Theme 2 Local, national, international and global areas of interest All sub-topics	Bespoke programme for Y11.	The American West c1835-95	The World Around Us: Environmental Threats to Our Planet				Producing robust programs
	Half Term 3	Literature 1 and 2 (Memorisation and Response Constructive) Language 1 and 2 (Deepening).	Geometry and Graphs	Waves Magnetism Organic Chemistry Chemistry in the Atmosphere Using Resources	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis	Theme 3 Current and future study and employment All sub-topics	Bespoke programme for Y11.	The American West c1835-95	Geographical Skills and Fieldwork				Programming languages and integrated development environments and programming project practice
Year 11	Half Term 4	Personalised Curriculum: Lessons are personalised to the individual needs of students in preparation for their English GCSE. These lessons are informed through analysis of STEP assessments and through teacher knowledge. Individual class curricula are created by the class teacher with support from the Faculty Leader and L&L Director.	Personalised Curriculum: Lessons are personalised to the individual needs of students in preparation for their Science GCSE. These lessons are informed through analysis of STEP assessments and through teacher knowledge. Individual class curricula are created by the class teacher with support from the Faculty Leader and L&L Director.	Personalised Curriculum: Lessons are personalised to the individual needs of students in preparation for their Maths GCSE. These lessons are informed through analysis of STEP assessments and through teacher knowledge. Individual class curricula are created by the class teacher with support from the Faculty Leader and L&L Director.	Sport specific to NET Academy - related to NC Strands Tactics and Strategies (Team and Individual sports), Technique and Performance, Outdoor and Adventurous Activities, Personal Best/Analysis				Skills-based learning speaking assessment preparation				Exam Pathway
	Half Term 5	Exam Pathway	Exam Pathway	Exam Pathway	Exam Pathway				Skills-based learning	Exam Pathway	Exam Pathway	Exam Pathway	Exam Pathway
	Half Term 6	Exam Pathway	Exam Pathway	Exam Pathway	Exam Pathway				Exam Pathway	Exam Pathway	Exam Pathway	Exam Pathway	Exam Pathway

Progression to Further Education, Employment, or Training

Curriculum Breadth

Guided Pathway Subjects

Engineering Design Business Studies I M&E (Year 10) and I&M (Year 11) Computer

	Art	Photography	Biology	Chemistry	Physics	Engineering Design /Timbers and Boards	Hospitality and Catering	Music	Business Studies / Enterprise	H&S Care Tech Award (Year 9) and Child Development (Year 10 and 11)	iMedia (Year 10) Computer Science (Year 11)	Performing Arts - Dance and Drama	Tech Award in Sport	Music	
Year 10 (and some Year 9 Options)	Half Term 1	Coursework Visual recording- drawing, text making and photography from Primary Source	Coursework. The rules of photography and element of photography	Cells and Biological molecules	Amount of substance and atomic structure	Use of 6I units and prefixes, Mechanics, Particles and radiation	Unit 2 - Hospitality & Catering in Action 2.1. The importance of nutrition 2.3. The skills and techniques of preparation, cooking and presentation of dishes 2.4 - Evaluating cooking skills	BTEC Tech Award- Component 1- Exploring Musical Products and Styles - Exploring the techniques used in the creation of different musical products and investigate the key features of different musical styles. Popular Music.	CA1 - Exploring enterprises theory	HS Care - Component 1 - Learning Outcome A- Human growth and development across Biologies and Factors affecting growth and development CD - Understand the development of a child 1-5 years, physical, intellectual and social developmental norms	L01 Use of Digital Graphics	Component 1	Component 1 - A Explore types and provision of sport and physical activity for different types of participant.	BTEC Tech Award- Component 1- Exploring Musical Products and Styles - Exploring the techniques used in the creation of different musical products and investigate the key features of different musical styles.	
	Half Term 2	Coursework. Visual recording- drawing, text making and photography from Primary Source	Applying the rules and element of photography	Cells and Biological molecules	Energetics and enthalpy changes, Structures and Bonding	Mechanics Materials Particles and radiation	Unit 2 - Hospitality & Catering in Action 2.2 - Menu Planning 2.3 - The skills and techniques of preparation, cooking and presentation of dishes 2.4 - Evaluating cooking skills	BTEC Tech Award- Component 1- Exploring Musical Products and Styles - Exploring the techniques used in the creation of different musical products and investigate the key features of different musical styles. Popular Music.	CA1 - Exploring enterprises theory	HS Care - Component 1 - Learning Outcome B- Understand how individuals deal with the events CD - Understand the development of a child 1-5 years	L02 - Client Brief, Digital Assets, Resources and Legislation	Component 1	Component 1 - B Examine equipment and the technology required for participants to see what taking part in sport and physical activity	BTEC Tech Award- Component 1- Exploring Musical Products and Styles - Exploring the techniques used in the creation of different musical products and investigate the key features of different musical styles.	
	Half Term 3	Coursework. Contextual understanding- researching the work of other artists, photographers and designers	Contextual understanding- researching the work of other artists, photographers and designers	Exchange Surfaces & Mass Transport	Chemical Equilibria and Nomenclature in Organic chemistry	Waves Electricity	Unit R039- Communicating design Topic Area 1 Manual production of featured articles - continued development of the layout and graphical communication techniques.	Unit 2 - Hospitality & Catering in Action 2.3 - Menu Planning 2.3 - The skills and techniques of preparation, cooking and presentation of dishes 2.4 - Evaluating cooking skills	BTEC Tech Award- Component 1- Exploring Musical Products and Styles - Exploring the techniques used in the creation of different musical products and investigate the key features of different musical styles. World Film and Classical	CA1 - Exploring enterprises PSA Exam Write-up	HS Care - Practice Pearson Set Assignment and begin Component 2, Learning Aim A CD- stages and types of play and how play benefits developments	L03- Create Digital Graphics + L04 - Review Digital Graphics (improvement Work)	Component 2	Component 1 - C Be able to prepare participants to take part in sport and physical activity	BTEC Tech Award- Component 1- Exploring Musical Products and Styles - Exploring the techniques used in the creation of different musical products and investigate the key features of different musical styles.
	Half Term 4	Coursework. Creative making- experimenting with a range of materials, techniques and processes	Creative making- experimenting with a range of materials, techniques and processes	Exchange Surfaces & Mass Transport	Redox reactions, Organic chemistry - alkanes and alkenes	Waves Electricity	Unit R039- Communicating design Topic Area 2 Manual production of featured articles (CAD, Introduction to Creative, exploration of chief barriers, flow etc.	Unit 2 - Hospitality & Catering in Action 2.3 - The skills and techniques of preparation, cooking and presentation of dishes 2.4 - Evaluating cooking skills	BTEC Tech Award- Component 1 Assessment	CA1 - Exploring enterprises PSA Exam Write-up	HS Care - Component 2, Learning outcome A, Understand the different types of health and social care services and barriers to accessing them CD- Plan and evaluate play activities for a child 1-5 years for a chosen area of development	L01 - Purposes and features on an animation	Component 2	Component 1 Pearson Set Assignment	BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement.
	Half Term 5	Coursework. Choose Portfolio theme and begin visual recording in response	Choose Portfolio theme and begin visual recording in response	Genetic information, variation and relationships between organisms	Periodicity and Alcohols	Exam Pathway Limitations of physical measurements	Unit R039- Communicating design Topic Area 2 Manual production of engineering drawings R039- Submission to external moderation- comment	Unit 1: The hospitality and catering industry 1.1 Hospitality & Catering provision	BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement. Personal / Professional Skills	CA1 - Exploring enterprises PSA Exam Write-up and CD Planning and presenting a MicroEnterprise Idea	HS Care - Component 2 Learning outcome B Understand the skills, attitudes and values required to give care CD - Childhood illnesses and a child safe environment	L02 - Client Brief, Storyboard, Mood board, Formats and Legislation	Component 2	Component 2 - A Understand how different components of fitness are used in different physical activities	BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement.
	Half Term 6	Coursework. Investigate artists, designers and photographers related to the chosen theme	Investigate artists, designers and photographers related to the chosen theme	Genetic information, variation and relationships between organisms	Organic Analysis and Required practicals	Further Mechanics	Unit R040- Design, evaluation and modelling Topic Area 2 Modelling design ideas	Unit 1: The hospitality and catering industry 1.2 How hospitality and catering provisions operate	BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement. Performance Pathway	CA1 - Exploring enterprises PSA Exam Write-up and CD Planning and presenting a MicroEnterprise Idea	HS Care - Practice - Person Set Assignment and start Component 3 CD R088 Assignment	L03 - Create Digital Animation + L04 - Review Digital Animation (improvement Work)	Component 3	Component 2 - B - Be able to participate in sport and understand the roles and responsibilities of officials	BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement.
Year 11	Half Term 1	Coursework. Develop response to initial starting points by investigating the work of others and drawing inspiration from a vast array of resources Develop Personal Responses to independently chosen stimulus material.	Develop response to initial starting points by investigating the work of others and drawing inspiration from a vast array of resources Develop Personal Responses to independently chosen stimulus material.	Energy transfers between organisms Response to internal and external environments	Thermodynamics, Rate equations and Atomic Chemistry	Thermodynamics and Radiation Gravitational Fields	NEA - Investigation Development of initial designs Specification Examination theory - specialism	Unit 1: The hospitality and catering industry 1.3 Health and safety in hospitality and catering	BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement. Composition Pathway	OCR GCSE - Topic 4 - HR	CD - Physical, intellectual and social developmental norms from 1-6	Component 3	Component 2 - C - Demonstrate ways to improve participants sporting techniques	GCSE Music- Listening and Appraising/ Developing Performance skills, BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement.	
	Half Term 2	Coursework. Using and reflecting upon a wide range of materials, techniques and processes to try out different ideas whilst making connections with the work of others. Developing a final portfolio outcome	Using and reflecting upon a wide range of materials, techniques and processes to try out different ideas whilst making connections with the work of others. Developing a final portfolio outcome	Genetics and Gene expression Response to internal and external environments	Equilibrium, cell potential and Polymers and amino acids	Electric fields and Capacitance Nuclear Physics	NEA - Development of initial designs Model making Practical planning Examination theory - specialism	Unit 1: The hospitality and catering industry 1.3 Health and safety in hospitality and catering	BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement. Assessment	OCR GCSE - Topic 6- External Enterprises Theory	CD - observe the development of a child aged 1-6	Component 3	Component 2 - Pearson Set Assignment	GCSE Music- Listening and Appraising/ Developing Performance skills, BTEC Tech Award- Component 2- Music Skills Development - Developing musical disciplines through engagement in practical tasks, while documenting progress and planning for further improvement.	
	Half Term 3	External exam. Independent research on a chosen exam theme. Produce creative experimental responses whilst building a clear and detailed narrative.	External exam. Independent research on a chosen exam theme. Produce creative experimental responses whilst building a clear and detailed narrative.	DNA and control of Gene expression	Transition metals and further organic synthesis and analysis	Magnetic Fields Option subject (Astrophysics, medical, engineering, turning points in physics or electronics)	NEA - Manufacturing specification Practical manufacture Examination theory - specialism	Unit 1: The hospitality and catering industry 1.4 How can food cause ill health in hospitality and catering	BTEC Tech Award Component 3- Responding to a Music Brief Develop and present music in response to a given music brief. Assessment	OCR GCSE - Topic 4 - Business Finance	CD - stages of play and types of play and how play benefits development	Component 3	Component 3 - AC1 Demonstrate knowledge of facts, components of fitness, fitness tests, training methods/procedures/principles in relation to improving fitness in sport and exercise. Component 3 - AC2 Demonstrate an understanding of facts, components of fitness, fitness tests, training methods/procedures/principles in relation to improving fitness in sport and exercise.	GCSE Music- Listening and Appraising/ Developing Composition skills, BTEC Tech Award Component 3- Responding to a Music Brief Develop and present music in response to a given music brief!	
	Half Term 4	External exam. Students prepare for their final piece in response to the exam theme.	Students prepare for their final piece in response to the exam theme.	Exam Pathway	Properties of Period 3 oxides and Reactions of transition metal complexes in solution	Exam Pathway	NEA - Practical and practical diary Examination theory - specialism	Unit 1: The hospitality and catering industry 1.5 How can we meet specific dietary requirements in Hospitality and Catering	BTEC Tech Award Component 3- Responding to a Music Brief Develop and present music in response to a given music brief. Assessment	Exam Pathway	CD - Plan and evaluate play activities for a child aged 1-6 years for a chosen area of development	Component 3	Component 3 - AC3 Apply an understanding of facts, components of fitness, fitness tests, training methods/procedures/principles in relation to improving fitness in sport and exercise. Component 3 - AC4 Make connections with concepts, facts, components of fitness, fitness tests, training methods/procedures/principles in relation to improving fitness in sport and exercise	GCSE Music- Listening and Appraising/ Developing Composition skills, BTEC Tech Award Component 3- Responding to a Music Brief	
	Half Term 5	Preparation for exhibition and moderation	Preparation for exhibition and moderation	Exam Pathway	Chromatography and revision	Exam Pathway	NEA - Evaluation Examination theory - specialism	Unit 1: The hospitality and catering industry 1.4 How can food cause ill health in hospitality and catering	BTEC Tech Award Component 3- Responding to a Music Brief Develop and present music in response to a given music brief. Assessment	Exam Pathway	CD - Exam Pathway	Exam Pathway	Exam Pathway	Component 3 - Terminal assessment. Component 1 and 2 - Opportunity to submit another attempt of a Pearson Set Assignment with new release.	GCSE Music - Listening Preparation and Exam prep-work, BTEC Tech Award Component 3- Responding to a Music Brief
	Half Term 6	Preparation for exhibition and moderation	Exam pathway	Exam Pathway	Exam Pathway	Exam Pathway	Exam pathway	Exam pathway	BTEC Tech Award Component 3- Responding to a Music Brief Develop and present music in response to a given music brief. Assessment	Exam pathway	CD - Exam Pathway	Exam Pathway	Exam Pathway	Component 1 and 2 - Opportunity to submit another attempt of a Pearson Set Assignment with new release.	Exam Pathway
