

4th November 2024

To all Parents & Carers

Please see the information below.

Ofsted is inspecting your child's school on the 5th and 6th November 2024 and we would like to know what you think about the school. Your views about the school are important to us.

If you are a registered parent or carer of a pupil at the school (including pupils on sick leave or who are temporarily excluded), you can tell us your views about the school by completing Ofsted's online survey, Ofsted Parent View, at:

<https://parentview.ofsted.gov.uk>.

Ofsted Parent View asks for your opinion on some aspects of your child's school, including the progress made by your child, the quality of teaching, how the school deals with bullying and poor behaviour. It also provides a free-text box for you to make additional comments, if you wish. The inspectors will use the online survey responses when inspecting your child's school.

To register your views, you will need to provide your email address, which will be held securely. It will not be used for any purpose other than providing access to the online survey. Neither schools nor Ofsted will have access to any email addresses.

Please complete the online survey as soon as possible, preferably by 11am on the first day of the inspection, as this will give the inspection team more time to consider your views. However, we will consider all online responses that are completed during the inspection, although the free-text box facility will not be available after noon on the final on-site day of the inspection.

Yours sincerely
