SPORTS WEEK

And

WORLD WELLBEING WEEK SPECIAL EDITION

Monday 22nd June

GOING THAT EXTRA MILE

Pupils and staff have started a range of sporting challenges this week and are all going that extra mile! Mr Griffiths has already ridden a whopping 200km on his bike and Miss Higgins has run the length of a marathon! Kornelia has started cycling a mile a day and Ella has already smashed through half of her target distance by running 5 miles!

RADZI COMES TO SSPP!

Today, we welcomed a VERY special guest into school! It was none other

than Radzi! Radzi, a former Blue Peter Presenter and now a sports commentator for Sky Sports, BBC Sport and Channel 5, shared his passion of sport with our pupils. He supports the work of the Youth Sports Trust and was so excited to hear about our campaign [#SSPPgoingthatextramile](https://www.spacehive.com/ssppgoingthatextramile). Thank you Radzi for supporting us!

GET INVOLVED TODAY!

Remember to get in touch with school to sign up to receive a medal; so far, 52 children are participating! Please support us by donating whatever you can to our page:
