

1. We're holding our instruments in our hands,
We're holding our instruments still.
We are a very famous band,
And we will not play 'til we hear you say,
"One, two, three, four"
This is how we like to play,
Very loudly the big band way.
This is how we like to play
All day.

2. We're holding our instruments in our hands,
We're holding our instruments still.
We are a very famous band,
And we will not play 'til we hear you say,
"One, two, three, four"
This is how we like to play,
Very softly the big band way.
This is how we like to play
All day.
