

EVERY JOURNEY

Words and Music by Sha Armstrong

CHORUS *Every journey begins with a small step,
Every race has a starting line;
Keep on reaching out for your goal,
Don't give up, just give it time.*

CHORUS

1 When the mountain seems too steep to climb,
Just keep moving on, just keep moving on.
When the pathway seems too hard to find,
Just remember this; we must stay strong.

CHORUS

2 When the river seems too wide to swim,
Just keep moving on, just keep moving on.
When the battle seems too tough to win,
Just remember this; we must stay strong.

CHORUS

CHORUS *Every journey begins with a small step,
Every race has a starting line;
Keep on reaching out for your goal,
Don't give up, just give it time.
Don't give up, just give it time.*
