

# Stripes or Spots?

Words and Music by Mark and Helen Johnson

1. **Tigers, ladybirds**, stripes or spots?  
Look at the patterns the creatures have got.  
Can you imagine if they'd not?  
What a plain kind of world it would be!

2. **Badgers, butterflies**, stripes or spots?  
Look at the patterns the creatures have got.  
Can you imagine if they'd not?  
What a plain kind of world it would be!

CHORUS *Look at all the patterns,  
Beautifully fashioned,  
Wonderfully created for the animal world.  
Look at all the patterns you can find  
In this beautiful, wonderful, colourful animal world!*

3. **Peacocks, antelopes**, stripes or spots?  
Look at the patterns the creatures have got.  
Can you imagine if they'd not?  
What a plain kind of world it would be!

4. **Cheetahs, rattlesnakes**, stripes or spots?  
Look at the patterns the creatures have got.  
Can you imagine if they'd not?  
What a plain kind of world it would be!

CHORUS *Look at all the patterns,  
Beautifully fashioned,  
Wonderfully created for the animal world.  
Look at all the patterns you can find  
In this beautiful, wonderful, colourful,  
Beautiful, wonderful, colourful,  
Beautiful, wonderful, colourful animal world!*
