

Fellgate Primary School

Friday 26th June 2020

Dear Children, Parents, Carers and Governors,

I hope that you are all well. This week we welcomed Year 6 Base back to school. The groups have worked well and it has been lovely to see more children back at school. Next week we look forward to welcoming back children from Reception and Year 1. If your child is in Reception or Year 1 and you would now like a place, please contact the school office.

This half term is flying over, we only have 3 weeks left. Next week you will be contacted to inform you of your child's class teacher for 2020-21. We will let you know the individual transition arrangements for your child, these will include a telephone call with your new class teacher, a virtual meet where possible, a video welcoming your child to their new class and a google classroom meet. If, once you have seen the transition arrangements, you feel that your child needs further transition work please contact school and speak to Mr McMullen, the SEND Co.

Show Racism the Red Card have launched a new on-line education resources portal. The information provided is intended to support parents and teachers to have conversations with young people to deepen their levels of understanding of racism and how we can tackle it. Please see their website
