

Fellgate Primary School

Friday 3rd July 2020

Dear Children, Parents, Carers and Governors,

I hope that you are all well. This week we welcomed Reception and Year 1 back to school. The groups have worked well and it has been lovely to see more children back at school. If your child is in Year 6, Year 1 or Reception or and you would now like a place, please contact the school office.

School has received guidance, as to how we will reopen in September. We now need to adapt our plans and update our risk assessments. Once these are completed, the due consultations have taken place with staff, the Governing Board and Trade Union representatives, I will share them with you. We are all really looking forward to welcoming back our school.

This week you have found out who your child's new class teacher will be via Class Dojo, telephone call or a by letter. They will be in touch with you during the last week of term by phone and google meet. They will also send a letter to you with some fun facts about your new year group. If you feel that your child needs further transition work please contact school and speak to Mr McMullen, our SEND Co.

Well done to our stars of the week—you are a credit to our school, role models we all aspire to follow.
