

Fellgate Primary School

Friday 10th July 2020

Dear Children, Parents, Carers and Governors,

School has received guidance, as to how we will reopen in September. We are now in the process of adapting and consulting our plans and updating our risk assessments. I will share them with you next week, once you have read the plans please contact school if you have any queries or concerns. We are all really looking forward to reopening our school in September.

Annual reports have been sent out today. We are all very proud of the progress our children made this year. If you would like to discuss your child's report, please contact your child's class teacher through dojo to arrange a telephone appointment.

Well done to our stars of the week—you are a credit to our school, role models we all aspire to follow.
