

# Fellgate Primary School

Volume 2, Friday 18th September 2020

Dear Children, Parents, Carers and Governors,

Week 2 completed. Again well done everyone for Getting Up, Getting In and Getting On! The new lock down regulations will again change our normal working days. If you are affected by this and need any further support please do not hesitate in contacting us.

If anyone in your house has a temperature, new persistent dry cough or loss of taste and smell you must self isolate until you get a test. Tests can be obtained by contacting 119. If for some reason you can not get a test, e.g. no car, we have a small supply of tests available in school. Once you receive your test results please let the school know.

If there is a positive test result in school, school will work directly with the Department for Education NHS advisors. They will then advise school what further actions need to be taken. As ever we will communicate to you via class dojo or telephone. If you are not on class dojo please do so, it is a great way to communicate.

PE kits. Main school -Thank you all for remembering to wear your PE kits on PE days. More time can be spent on PE which can only be a positive thing !

I hope everyone has a restful weekend and I look forward to seeing you all back on Monday.

**Have a great weekend everyone ! Mrs Tones**

### Our Vision

At Fellgate Primary School, through an ethos of respect, challenge and resilience, we aspire to create an inclusive, safe, vibrant, happy school where each member of the school community - children, parents, carers, staff and governors - feels valued and are encouraged to be the best they can be.

We celebrate individuality, striving for everyone to reach their full potential and “shine” in everything they do.
