

# Fellgate Primary School

Volume 6, Friday 16h October 2020

Dear Children, Parents, Carers and Governors,

Our phrase of the week this week is **Everyone feels valued**. During October we celebrate Black History Month. In school we have been discussing how important it is to value everyone. We have looked at famous characters such as Nelson Mandela who fought for equality in South Africa. We discussed how resilient he was to spend 27 years in prison and then come back and become the first black South African President. Many people respected him for his courage and wisdom in bringing people together and living in peace. During Assembly today we celebrated our children who make everyone feel valued. Thank you to Niamh in Chestnuts who went on to praise another classmate for how they value everyone.

Today the remote learning packs / books will be sent out. Each pack will look slightly different as they are differentiated according to the needs of every child. They are to be used in the event of another lock down. They will include log in details of how to access different sites that we use to support children's learning. If you have not looked at the website yet please do
