

# Fellgate Primary School

Volume 11, Friday 27th November 2020

Dear Children, Parents, Carers and Governors,

This week our school has focused on **anti-bullying week**. Children have been learning what bullying is and what to do if they are bullied online or at school. It is so important to speak out, so we can work together to solve the problem. Lots of fantastic odd socks today — well done Fellgate ! Ask your child what they have learnt about bullying this week.

**Lenny our School Dog** has been visiting different classes in school . We all love a visit from Lenny! He has been on walks and visited different classes. He has been showing the children which commands he can follow. Blueberries make sure that their classroom is safe for Lenny to enter by tidying up. Well done Blueberries

" I love Lenny visiting our class. He put a smile on my face! He gave us a break from our school work." Tia

" He was lots of fun and made me laugh." Jackson

The **Photographer** will be in school on Wednesday 2nd November to take individual photos. They will observe all safety measures: there will be photographs taken in the Base and in Main School to avoid our bubbles mixing.

This week, **Tides of Change** have been in school. Some of our children have had a fantastic time making campfires, toasting marshmallows and hunting for bugs.

**Policies**—just a reminder that all our policies are on the website. If you would like a paper copy of any policy please ask at the office.

**The Raffle** will be drawn on Tuesday 1st December so please send your tickets and donations into school. Thank you to everyone for your extremely generous donations so far.

Please see Page 3 which contains information regarding Tier 3.

At Fellgate Primary School, through an ethos of respect, challenge and resilience, we aspire to create an inclusive, safe, vibrant, happy school where each member of the school community - children, parents, carers, staff and governors - feels valued and are encouraged to be the best they can be.

We celebrate individuality, striving for everyone to reach their full potential and "shine" in everything they do.

## Tier 3: Very High alert

This is for areas with a very high or very rapidly rising level of infections, where tighter restrictions are in place.

you must not meet socially indoors or in most outdoor places with anybody you do not live with, or who is not in your support bubble, this includes in any private garden or at most outdoor venues

you must not socialise in a group of more than 6 in some other outdoor public spaces, including parks, beaches, countryside accessible to the public, a public garden, grounds of a heritage site or castle, or a sports facility – this is called the ‘rule of 6’

hospitality settings, such as bars (including shisha venues), pubs, cafes and restaurants are closed – they are permitted to continue sales by takeaway, click-and-collect, drive-through or delivery services.

accommodation such as hotels, B&Bs, campsites, and guest houses must close. There are several exemptions, such as for those who use these venues as their main residence, and those requiring the venues where it is reasonably necessary for work or education and training

indoor entertainment and tourist venues must close. This includes:

- indoor play centres and areas, including trampolining parks and soft play
- casinos

- bingo halls

- bowling alleys

- skating rinks

- amusement arcades and adult gaming centres

- laser quests and escape rooms

- cinemas, theatres and concert halls

- snooker halls

indoor attractions at mostly outdoor entertainment venues must also close (indoor shops, through-ways and public toilets at such attractions can remain open).

This includes indoor attractions within:

- zoos, safari parks, and wildlife reserves

- aquariums, visitor attractions at farms, and other animal attractions

- model villages

- museums, galleries and sculpture parks

- botanical gardens, biomes or greenhouses

- theme parks, circuses, fairgrounds and funfairs

- visitor attractions at film studios, heritage sites such as castles and stately homes

- landmarks including observation decks and viewing platforms

leisure and sports facilities may continue to stay open, but group exercise classes (including fitness and dance) should not go ahead. Saunas and steam rooms should close

there should be no public attendance at spectator sport or indoor
