

# Fellgate Primary School

Volume 16, Friday 15th January 2021

Dear Children, Parents, Carers and Governors,

Again a huge well done and thank you to **everyone** for engaging so positively with the remote learning offer. If we can support or help in anyway please do not hesitate to get in touch. Thank you to our amazing and hard working staff who have really gone that extra mile and worked exceptionally hard to ensure this offer is as good as it can be. We continually strive to improve our practise so let us know if you have any good ideas or suggestions. Together everyone achieves more!

During lock down more and more children will be on digital devices. They are better at using them than we are! Please see our parents whats app control pdf and the whats app how to guide, on class dojo and the school website. It is really useful advice for parents and helps us stay one step ahead of our very clever children!
