

Fellgate Primary School

Volume 25, Friday 26th March 2021

Dear Children, Parents, Carers and Governors,

This week, our phrase of the week has been "one year on." On Monday night many people stood in their gardens for a minutes silence to remember this time a year ago, our Prime Minister announced that the country would go into lockdown. This continues to be a very difficult period for many members of our community.

We are so proud of our children here at Fellgate who have come back to school after the recent lockdown and settled so quickly back into a school routine. However, if there is anything we can do to support you or if your children have any worries, please get in touch. We are always here to help and support.

Please note the dates for your diary below. On Wednesday we will be holding a **Smelly Egg** competition where children will have the opportunity to decorate an egg in class. Many thanks again to Friends of Fellgate who will provide school with polystyrene eggs. Winners will be announced on Thursday 1st April. Please keep an eye on your children's Class Dojo page for further information.

Next week, children may be doing some assessments. The type of assessment depends upon the age and development of your child. In the Base and Early Years a lot of assessment is completed through teacher observation, from Year 2 up assessment tasks are completed. If you would like to know more ask your child's class teacher.

Next week is Autism Awareness Week and we will be marking that in school with an Assembly and activities in class.
