

Fellgate Primary School

Volume 26, Thursday 1st April 2021

Dear Children, Parents, Carers and Governors,

This half term has been the most challenging for everyone! Children, Parents, Carers, Staff and Governors. I would like to thank and praise everyone for how positively they have responded.

We are extremely proud of all our children! They have coped with this different learning experience and constantly surprised us with their resilience. This week we have celebrated our pupils who have made the longest journey with their learning this half term. You are awesome!

Our staff have faced and risen to the challenge of providing blended teaching and learning. They have been teaching children remotely and in school. I am very proud of our staff and thank them all for the dedication and commitment they have shown this half term.

Well done to everyone for their superb effort and contribution to the smelly egg competition. This year we have awarded prizes for the effort put in and the imagination and creativity used.

Thank you to Friends of Fellgate for providing each of our children with an Easter Egg. We are all very grateful!

Half Term attendance winners. Well done to Willows who won the first prize in main school and well done Plums, Blueberries, Oranges, Cherries and Limes who were joint second.

A booklet for Easter activities will be handed out tonight. Please check the class dojo page for further activities. During the Easter Holidays.

Have a great Easter Holiday everyone and see you all back on Monday 19th April!

Mrs Tones

The Longest Journey Award goes to

Lemons: Joseph H is always happy to complete work activities in class and is a really good friend to his fellow classmates. He is very aware of his friends feelings and will check they are OK when they are upset. What a great friend! Well done Joseph!

Oranges: Lewis R for developing his communication and making his needs known. Well done Lewis! We are super proud, keep up the good work!

Cherries: Hamza B for his improved relationships with his classmates and the children in the base. Hamza is accessing play times with other children on the yard.

Apples: Will L had a tough time during the first lockdown and was very worried about coronavirus and what would happen. He worked hard all through that lockdown and on his return to school, and made fantastic progress. During the latest lockdown, Will was a superstar learner at home and has come back to school full of enthusiasm to see his friends and get on with his learning. He has much less anxiety around coronavirus and is able to take simple steps to keep himself and others safe, such as regular hand-washing and catching his coughs in his hand. We are so proud of Will!

Blueberries: Marcus M—He has become more self aware this term, choosing and using strategies to help him concentrate when he is working, and beginning to talk about how he is feeling, which can be challenging for him. Blueberries staff are very proud of how he is taking responsibility for himself—it shows increased maturity

Plums: Harry M—since coming back to school after lockdown Harry has grown in confidence and has a give it a go attitude with everything he does. It has been lovely to see, keep it up Harry!

Acorns: Abigail C for always having a brilliant attitude towards school and takes on challenges with enthusiasm and a smile on her face. She has worked hard at school and at home and never given up

Maples: Jayden S for his fantastic attitude to learning. He is always keen to try new things, challenge himself and share his ideas. He is always willing to help others and is a fantastic help around the classroom. Well done Jayden!

Hawthorns: Viktor J for having a really good attitude to his learning at all times, which meant he flew through his assessments.

Chestnuts: Ellie-May H for coming on leaps and bounds with your confidence this term. We have loved watching you grow from strength to strength and to really develop your independence. Well done.

Willows: Lucy D for showing a great improvement towards her work since returning to school; clearly demonstrating the hard work that she put into her home learning.

Sycamores: Grace C—Since joining Fellgate, Grace has tried her best with her work across the entire curriculum. She has made some great friends and contributed so much to Sycamores. We will miss her as she moves to her new school and wish her well for the future!

Oaks: Oliver T—He has demonstrated a much improved attitude and effort in all lessons since returning back to school. Oliver should be proud of himself and all that he has achieved

Our Vision

At Fellgate Primary School, through an ethos of respect, challenge and resilience, we aspire to create an inclusive, safe, vibrant, happy school where each member of the school community - children, parents, carers, staff and governors - feels valued and are encouraged to be the best they can be.

Together Everyone Achieves More
