

Fellgate Primary School

Friday 23rd April 2021

Dear Children, Parents, Carers and Governors,

Welcome back everyone! It is brilliant to have everyone back to school and what a good start with 5 classes achieving 100% attendance and whole school achieving 97% attendance. Our pupils have been a credit to our school. Getting in and getting on! It is a pleasure to walk around and see how hard our pupils try with their learning, how proud they are of their achievements and how polite they are. Thank you to our staff who have established brilliant relationships with our pupils, and make the education of our pupils their first concern.

This week, our phrase of the week has been Words, words, words to celebrate William Shakespeare's birthday and to consider why words are so important. We discussed how words can be fun and words can be powerful. Words can build people up, but some words can put people down, insult them and knock their confidence. Well done to our stars of the week who use words to build others up.

Did you know Shakespeare was born in April 1564 and died in April 1616. Historians believe he was born on 23 April and that he died on the same day in 1616. William Shakespeare didn't just leave plays and poems as his legacy he also invented many words that we use today.

This week our School Nurse had been working with Oaks. She praised the children and said she could tell they knew how to deal with their emotions and they were aware of self help strategies for uncomfortable scenarios and feelings. The children also knew who to speak to for advice and support. She also commented that they were the best class in the borough" that she had delivered the talk to. WELL DONE OAKS ! You are a credit to Fellgate. The School Nurse will return in a couple of weeks to work with our Year 6 in the Base.
