Friday 21st May 2021

Dear Children, Parents, Carers and Governors,

This week, our phrase of the week has been **busy as a bee**. Thursday 20th May was National Bee Day where we celebrate these tiny hard working creatures. Bees are hard workers, who work well in a team and are good at helping one another complete the task. It is good thing to be like a bee!

Next week is **World Book Week**. We have a full packed week to celebrate reading and really push the importance of reading. Thanks to Mr Graham for his work on this. **Reading** is the key to succeed. Being able to read is a vital skill that we all need to learn. Without being able to read we can not learn in other areas of the curriculum. Initially children **learn to read** in Reception and Year 1 and then they **read to learn** from Year 2 upwards. The only way we get better at reading is by practise. Reading every day is a great routine to get into. Covid prevented our reading books and records being returned each day, we would like them to be returned each day from Monday 24th May.

During lock down some of our books went missing, please have a look for any missing books as we now need to replace these titles and it is a great cost to the school. So come on everyone carry on reading there are only 8 weeks left till the end of the year. Which karate band will you reach? As a further boost we will have another double point reader week!
