

Fellgate Primary School

Friday 16th July 2021

Dear Children, Parents, Carers and Governors,

Our phrase of the week this week was "Thank you NHS." Monday 5th July was the NHS's 73rd birthday. This year, the NHS has been through a year like no other year: not only have they cared for seriously ill patients, they have rolled out the biggest vaccination programme in health history. It has been a year of challenge but also one of hope. We have taken time this week to thank the NHS but also to celebrate the qualities we admire the NHS for. We have rewarded our children if they have really looked after someone, been hard working or gone above and beyond what is expected of them.

Summer Holiday Club—Monday 26 July to Friday 3 September

You can now enrol your child in a free holiday club programme over the summer. There are free places available for children and young people in South Tyneside who are eligible for benefits related free school meals or families who are experiencing hardship, where they can enjoy a variety of creative and physical activities, alongside a nutritious meal every day.

Sessions include sports, music, arts, crafts, outdoor challenges, nature and treasure trails as well as fun problem-solving challenges and nutrition and wellbeing sessions.

Activities cater for children aged 5 to 16. Activities are held throughout the summer across South Tyneside. All events are subject to availability and COVID restrictions. Booking is essential.

Activities and food are funded by the Department for Education.

PURPLE MASH PARENT NEWSLETTER

July 2021 | Issue 1

We use Purple Mash (<https://www.purplemash.com/login/>) at school for in class and home learning. It is a comprehensive suite of online learning tools and content designed to be used by primary aged children. You can access Purple Mash online via a laptop or tablet. Find out more here: <https://2simple.com/parents>

Please see _____ if you need your log in details again.

GAMES ON PURPLE MASH

There are a wide range of games for your child to use to help develop their Maths and English skills.

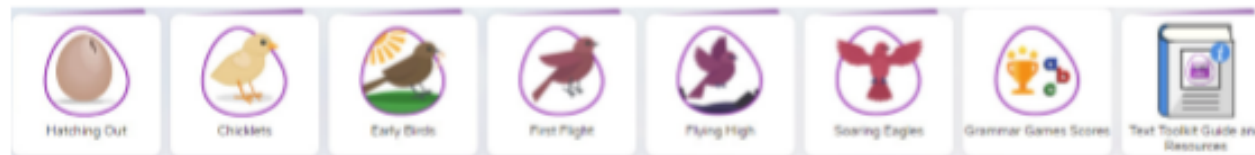

Monster Multiplication is an enjoyable and interactive game, designed to help your child practice their multiplication tables in a fun way! They can watch their own monster egg evolve into a mature monster by unlocking various achievements. The more fruit the monster eats from the achievements, the faster they grow!

Sequence snake lets your child apply knowledge of number facts and sharpen their mental arithmetic in a challenging yet fun game. They must strategically feed Sequence Snake by guiding him to the next correct number. With every correct number eaten, sequence snake grows by that amount.

Fractonio's Pizzeria helps your child develop their knowledge of fractions through a fun and contextualised approach. Pupils are presented with pictorial and abstract relationships throughout each task and encouraged to succeed in order to unlock extra pizza toppings.

We have a range of grammar games that your child can use depending on their age range:

Each category has a selection of games that help them improve their grammatical knowledge. Perfect for your child to develop and practice their skills.

You can find all our educational games to support learning in both [Maths and English here](#).

SUMMER ACTIVITIES

Our Education Team have put together a range of activities for children over the Summer including writing projects, games and a selection of creative tools including paint projects and Mashcams.

Our Fellgate Stars of the Week are ...

Lemons: Mylo W for being a kind and caring friend. He always looks after his friends when they are hurt. Well done Mylo

Oranges: Rebecca H-N for her enthusiastic participation in P.E and sporting activities

Cherries: Imran K for a settled week back completing lots of great work

Apples: Alfie L for his fantastic participation in Sports day this week

Blueberries: Harrison C for his excellent conversation skills. He has been chatting with teachers and friends in class, asking appropriately for things he wants and he has kept teachers organised by reminding them what to do next

Plums: Harry M for having such a positive, give it a go attitude with everything he does

Acorns: Charlotte H for her kind and caring attitude towards her friends

Maples: Wesley C for showing resilience and determination in his work this week. He has had a fantastic attitude to learning

Hawthorns: Zophia G for trying so hard with her work during assessment week

Chestnuts: Damian J for always working his hardest and for continuing to develop his resilience

Willows: Lucy D for always giving her all in whatever she does. She shows resilience, determination and never gives up. She really does go the extra mile!

Sycamores: Keanu G for coming back after self isolation with such a positive attitude. He has gone above and beyond to play with the children coming over from the base, every playtime

Oaks: Lucas M for always looking out for others, being kind and caring, both in school, and out of it
