

Fellgate Primary School

Volume 3, Friday 24th September 2021

Dear Children, Parents, Carers and Governors,

As you know, earlier this year, The Children's Commissioner asked all the children in England to complete a survey, to show the true voice of this generation. We now have the results – and we want to say thank you.

Over half a million children responded – the largest survey of its kind in history – and at a landmark moment for young people growing up in this country. At a critical time, as we emerge from the pandemic, children have told us how the past year has affected them and what needs to happen now. Despite the sacrifices they have made, the majority of children say they are happy. Their message is clear: this is not a 'snowflake' generation – it is a heroic generation.

Children were united – they told us they want to get back to school, to get on, and do well. To have fulfilling lives. To make a contribution to a better world – a greener world, rooted in fairness of opportunity for everyone. We are now making sure children are being heard.

As you also know Ofsted visited us this week. We can not talk about the inspection until the report is published as it is confidential. However, as soon as the report is published we will let you know.

Attendance: Keep on Getting up! Getting in! Getting on!

Meet your Governor: Audrey Huntley, Co-opted Governor- My name is Audrey Huntley, I am delighted to be a governor at Fellgate school. I have lots of experience in SEND, Finance and school performance. I am a parent of a young person with additional needs and I bring a wealth of personal experience for staff, children and families to benefit from. My passion is community involvement and I'm a trustee at Hedworthfield CA which is adjacent to Fellgate school. Through my role and life experiences I hope to support the school on its continuing improvement path, which is giving your children an amazing opportunity to thrive and fulfill their full potential.
