

Fellgate Primary School

Volume 4, Friday 1st October 2021

Dear Children, Parents, Carers and Governors,

At Fellgate Primary School we are committed to a respectful, communicative and mutually supportive relationship between children, parents and staff. As a partnership, we understand the importance of a good working relationship to equip children with the necessary skills for adulthood.

Next week we will send out our Home School Agreements. Please share these with your child. They will also be shared in school. Our aim is to provide the whole school community with a framework that sets out the expected conduct and helps prevent misunderstandings so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding.

Head Girl and Head Boy. As a staff we have been discussing pupils who continue to amaze us with their outstanding behaviour and respect they show to their peers. We all feel strongly that Fellgate should have a Head Boy and a Head Girl. Our ultimate role models who we all aspire to be like! This year staff have discussed and voted... **Tia and Edson are our Head Girl and Head Boy!** Thank you both for your continued effort to support your friends and school.

Meet your Governor: Paula Holman, Co-opted Governor- My name is Paula Holman and I have been a Parent/Co-opted Governor since September 2012. Both my 2 sons & myself attended this school and we all have many happy memories of our primary school years. I bring a wealth of business-related knowledge to my role, my 25-year background includes working in a Financial environment, along with Customer Services and management roles. I am currently employed at Fellgate Primary School as a Teaching Assistant and feel passionate about our pupils enjoying school and creating happy memories that will stay with them forever. I aim to work tirelessly to assist staff, parents and governors in ensuring that all pupils of Fellgate Primary School receive a world class education and move on to secondary school as happy, confident, resilient people with a lifelong love of learning. I feel proud to be working with such a dedicated team of Governors, to ensure that our children receive their education in a loving and caring environment so that they can shine bright in the world. Together everyone achieves more.
