

Fellgate Primary School

Volume 8, Friday 5th November 2021

Dear Children, Parents, Carers and Governors,

A fantastic first week back at school. Welcome back, its great to have everyone back to school. As you all know during the holiday, all schools were contacted by Public Health. They have recommended that all schools introduce the following measures to reduce the transmission of Covid 19. We implemented all of these measures immediately.

1. All adults to wear face masks in communal areas in schools.
2. All parents and carers to wear face coverings when dropping off or collecting children.
3. PCR tests are recommended for all adults and pupils if they are a close contact of a positive case. If the test is negative, pupils can return to school, however they must stay at home if they go on to develop symptoms and be retested. A close contact means some one who you share a house with.
4. Assemblies, staff and governor meetings to be held virtually.
5. School is to limit visitors to school. Careful consideration will be given to each event.
6. Educational visits and residential visits. Careful consideration will have to be given to each visit as increased use of public transport for long periods increases the chances of transmitting Covid 19.

This advice will be reviewed in 2 weeks and again at the end of November. As ever I will keep you updated. I hope you agree that it wise to put these precautions in place. Thank you all for helping us to keep everyone safe.

If anyone develops symptoms, please book a PCR test by either visiting the Government website or calling 119. The main symptoms are:-

- A high temperature- this means you feel hot to touch on your chest or back
- A new continuous cough– this means coughing for more than an hour, or 3 or more coughing episodes in 24 hours
- A loss or change to your sense of smell or taste– this means you have noticed you can not taste or smell anything, or things taste or smell different.

This information has been taken from the NHS website. If you are not sure what to do you can call 111 or check www.nhs.uk.

Thanks to Ice Print and Design Ltd for their weekly donation to our breakfast clubs. This enables school to buy fresh fruit each week.

Have a great weekend everyone and stay safe! Mrs Tones
