

Fellgate Primary School

Volume 19, Friday 4th February 2022

Dear Children, Parents, Carers and Governors,

At school this week we have started talking about Children's Mental Health Week early. We began on Monday with Mr Mills our PSHE Lead taking the Assembly. Our phrase of the week this week was **"Growing Together."** Human beings change and grow – we do it all the time and in many different ways. Physical growth is easy to see as we grow from babies to children, teenagers to adults. Another way that we can grow is emotionally. Things that upset us when we are younger may no longer be so upsetting when we're older. Challenges and trying new things can help us to grow and adapt.

This week we held our first toddler group since March 2020. It was brilliant fun! Our toddler group runs from 9am to 11am every Thursday morning. If you know someone who has a baby or a toddler please pass on the message to come along. Everyone is welcome!

School continues to work closely with South Tyneside's public health team as there have been a number of confirmed cases. School remains open and pupils should attend as normal but we ask you to monitor your child's health for the main signs of Covid.

- A new continuous cough
- A high temperature
- A loss or change in their sense of smell or taste

If your child becomes symptomatic, please: keep your child away from school; book a PCR Test for your child as soon as possible and report the result to school.

Have a great weekend everyone and stay safe! Mrs Tones
