

Fellgate Primary School

Volume 23, Friday 11th March 2022

Dear Children, Parents, Carers and Governors,

At school this week we talked about St David. We found out about the simple life he and his followers lived. St David was famous for saying "Do the little things in life." St David believed that doing simple, everyday things like showing kindness, working hard and helping others were more important than big gestures or showing off. This week our phrase of the week is "**Do the little things.**" How can we make our school and community a better place by doing the little things ?

Well done to one of our amazing pupils who has decided to do a sponsored bike ride after watching the news last week. She has been on a sponsored bike ride every day for a week to raise money to buy food for the Ukrainian people. Thank you also to everyone who has begun to send donations into school. We are collecting protein/energy bars, period products, first aid kit, baby food, nappies and toiletries. They will be sent to a collection point.
