

Fellgate Primary School

Volume 24, Friday 18th March 2022

Dear Children, Parents, Carers and Governors,

At school this week we have celebrated **British Science Week**. Our Science Subject Leader Hannah, introduced the week with an assembly. The theme for British Science Week 2022 was growth. Why growth? Because learning about growth helps us understand the world better in many ways. Did you know...

- The Hubble Space Telescope helps scientists to grow their knowledge about the universe.
- Scientists grow bacteria to help develop medicines.
- Measuring the growth of trees helps scientists know their age. There is a tree in California that is between 2,200 and 2,700 years old.

Children please tell you parents and carers what you have learnt in Science week this week. Parents and carers please ask you child what they have learnt this week in science. There will be a British Science Week post coming soon to the website. Our word of the week this week was **growth**.

Thank you to the Parents and Carers who have come along to the **coffee mornings** this half term. It is great to see you. Moving forwards we are going to hold 1 coffee morning each half term for everyone! Dates to follow.

Jokes of the week.

This week Sam took over the mike and delivered our joke. Told like a true comedian!

What do you call James Bond in the bath? Bubble O7

I also have a new joke writer in school! Well done Alfie—you could work for Ant and Dec!

What do you call a dog that can tell the time? A watch dog!

Dates for your diary

Monday 5th April: Class photographs

Monday 11th April: Easter Holidays

Tuesday 3rd May: Bikeability Year 5– level 2

Have a great weekend everyone and stay safe! Mrs Tones

Get up! Get in! Get on!

Our Fellgate Stars of the Week are ...

Lemons: Indyia L for showing growth and maturity. She was very caring when a friend in class felt unwell. Well done Indyia!

Oranges: James B as his communication, confidence and independence continues to grow. Well done James!

Cherries: Noah S for having a great attitude to his learning this week and trying hard with his work

Apples: Matija W for fantastic sharing this week

Blueberries: Jayden R for his fantastic addition and subtraction work this week

Plums: Harry M for improving in confidence when learning new maths concepts this week

Acorns: Jessie T who had lots of great ideas about things that grow as part of science week

Hawthorns: Daisy L has really grown in confidence this week, especially with her 2D and 3D Maths work.

Willows: Jack D for showing great dedication to his learning this week and for making sure that he is always doing the right thing.

Chestnuts: Damian J for growing in confidence, asking for help when needed and being a pleasure to teach

Sycamores: Summer P for excellent "growth" in maths. Summer has developed excellent written methods to multiply and divide.

Oaks: Jackson for working hard to improve and showing such a positive attitude to his work

Our Vision

At Fellgate Primary School, through an ethos of respect, challenge and resilience, we aspire to create an inclusive, safe, vibrant, happy school where each member of the school community - children, parents, carers, staff and governors - feels valued and are encouraged to be the best they can be.

We celebrate individuality, striving for everyone to reach their full potential and "shine" in everything they do.

Together Everyone Achieves More
