

Fellgate Primary School

Volume 28, Friday 29th April 2022

Dear Children, Parents, Carers and Governors,

On Sunday it was St George's day. We talked about how St George was chosen to be the Patron Saint of England in the 15th Century by King Edward 111 because he had the special characteristics of bravery, strong faith in Christianity and generosity. George was well known for taking care of the poor and giving his money to the poor. This week our phrase of the week is **to be generous to others**.

Just to keep you updated with the **latest isolation guidance** for symptomatic children and adults:-

- Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice is 3 days

Joke of the week: Thank you Charlie in Willows - How do you start a teddy bear race? Ready teddy go!

It was brilliant this week to finally have parents and carers back in school for **Parents Evening**. We hope, as we continue to learn to live with Covid and as cases drop, that we will be able to hold more events in school. We have really missed having our parents and carers in school.
