

## Dear parent

We are inviting you to take part in **#SummerLegends** activities with **Be Internet Legends**.

Be Internet Legends is an education programme from Google and Parent Zone, teaching children aged 7 to 11 to be safer, more confident online explorers.

It helps them to learn the Legends Code, to be:

**Sharp** - Think Before You Share

**Alert** - Check it's For Real

**Secure** - Protect Your Stuff

**Kind** - Respect Each Other

**Brave** - When in Doubt, Discuss

The code promotes media literacy skills and positive behaviours that can help children better understand and navigate their digital world.

**Following Google training, children are twice as likely to show an improved understanding of internet safety than those who haven't received the training.\***

*\*Data based on research commissioned by Google and run by Ipsos from April to July 2021 among 1,638 primary school pupils in years 3-6 at 16 schools in the UK where Google has carried out Be Internet Legends online safety training. ## #SummerLegends

However you are spending your summer holidays, we'd love to hear from you and see what fun you and your little Legend are having.

And we've got summer activities to keep them entertained, rain or shine.

Read on for some ways to make your summer a little more Legendary!

### Draw an Internaut

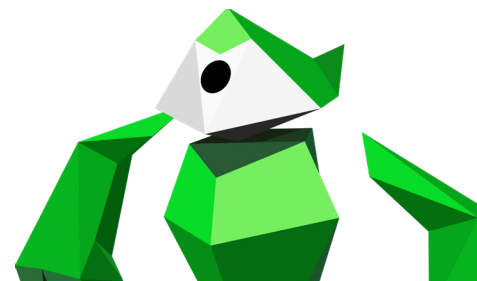

Internauts are characters from the Interland online game. Your child can learn to draw their own Internaut with our easy video tutorial. If this is a bit tricky for your child, they can colour in their own Internaut template.

Watch it here: [youtube.com/watch?v=ONa8V0Cfo6I](https://www.youtube.com/watch?v=ONa8V0Cfo6I)

### Share your brilliant art

We'd love to see your Internaut pictures – especially out and about this summer. Share a snap of their awesome Internaut art on holiday, in the park or wherever you are having some summer fun. Use the hashtags [#SummerLegends](#) and [#BeInternetLegends](#)

If your child has a Legend trophy, they could also snap a photo with their Internaut wherever they are.

## Explore Interland together

Interland is a fun online game that teaches children more about the Legends Code and the things they need to know to stay safer and be positive online. It has four challenging levels – and you can play it on any mobile or computer web browser. Remember to share your high scores using the hashtags #SummerLegends and #BeInternetLegends
